Trebudannon Barn

. . . . in the heart of the Cornish countryside

*A home from home in all seasons,
Trebudannon Barn assures you
of a warm Cornish welcome.*

Lovingly converted, this open plan single storey barn is packed full of rural charm combining country cottage chic with more modern order.

Nestled away in the tiny hamlet of Trebudannon, this charming barn is the idyllic base to relax and unwind Cornish style.

Trebudannon Barn offers an enviable base to explore both North Cornwall with its golden sands and beautiful coastline and the tranquillity of the South coast with its tiny fishing villages and coves.

Sink into squishy leather sofas after the day's excursions or soak in the garden hot tub, in the cooler months light the woodburner and relax fireside.

The open plan living/dining room with oak flooring is decorated in neutral colours and has Freeview digital TV, DVD player and Micro CD system.

The fitted oak kitchen has granite worktops and is equipped to a high standard, including electric cooker, gas hob, microwave, washing machine, fridge freezer and dishwasher (tumble drier in the owner's garage).

Spill from the sitting room to the pretty walled garden blooming with colour and fragrance in the summer months, together with brick paved patio area, hardwood furniture and portable barbecue.

Two well appointed bedrooms both with digital TV, and offering king sized zip/link beds, one with a spacious ensuite wet room and the other has use of the family bathroom with bath, fitted shower and fluffy bathrobes.

For those with a passion for food, a tempting array of eateries can be found right on your doorstep including the much acclaimed Jamie Oliver's Fifteen at nearby Watergate Bay or the plethora of Rick Stein's eateries at Padstow.

If you'd rather DIY then get creative in the barn kitchen using the finest or Cornish fare (including free range eggs from the owner) and choose to dine al fresco.

Private parking for one/two cars.

Electricity, gas including full gas-fired central heating, duvets, towels, travel cot and high chair are all included in tariff.
